RISK FACTORS

A. RELATING TO THE OFFER

The risk factors set forth below pertain to the Offer and are not in relation to the present or future business operations of the Target Company or other related matters, and are neither exhaustive nor intended to constitute a complete analysis of the risks involved in participation or otherwise by a shareholder in the Offer.

- 1) The Offer involves an offer to acquire up to 26.00% of the Equity and Voting Share Capital of LMIL from the Eligible Persons for the Offer. In the case of over subscription in the Offer, acceptance would be determined on a proportionate basis and hence there is no certainty that all the shares tendered by the shareholders in the Offer will be accepted.
- 2) As on date of this Letter of Offer, no, statutory and other approval are required in connection with this offer, however this offer will be subject to all statutory approvals that may become applicable at a later date. In the event that (a) a statutory and regulatory approval is not received in a timely manner, or (b) there is any litigation leading to a “stay” of the Offer, and then the Offer process may be delayed beyond the schedule of activities indicated in this Letter of Offer. Consequently, the payment of consideration to the shareholders of LMIL whose Shares has been accepted in the Offer as well as the return of Shares not accepted by the Acquirer may be delayed.
- 3) The Acquirer will not proceed with the Open Offer in terms of Regulation 23(1) of SEBI (SAST) Regulations under any of the following circumstances:
 - (a) statutory approvals required for the open offer or for effecting the acquisitions attracting the obligation to make an open offer under these regulations having been finally refused, subject to such requirements for approval having been specifically disclosed in the detailed public statement and the letter of offer;
 - (b) the acquirer, being a natural person, has died;

(c) any condition stipulated in the agreement for acquisition attracting the obligation to make the open offer is not met for reasons outside the reasonable control of the acquirer, and such agreement is rescinded, subject to such conditions having been specifically disclosed in the detailed public statement and the letter of offer, however there are no such conditions in SPA, which can trigger the withdrawal of offer; or

(d) such circumstances as in the opinion of the Board, merit withdrawal.

For the purposes of clause (d) of sub-regulation (1), the Board shall pass a reasoned order permitting withdrawal, and such order shall be hosted by the Board on its official website.

- 4) In case of the delay, due to non-receipt of statutory approvals, as per Regulation 18(11) of the SEBI (SAST) Regulations, 2011, SEBI may, if satisfied that the non-receipt of approvals was not due to wilful default or negligence or failure to diligently pursue such approvals on the part of the Acquirer, grant an extension for the purpose of completion of the Offer subject to the Acquirer paying interest to the shareholders for the delay, as may be specified by SEBI. Without prejudice of Regulation 18(11) of the SEBI (SAST) Regulations, 2011 Acquirer shall pay interest for the period of delay to all such shareholders whose shares have been accepted in the open offer, at the rate of ten per cent per annum, however in case the delay was not attributable to any act of omission or commission of the Acquirer, or due to the reasons or circumstances beyond the control of Acquirer, SEBI may grant waiver from the payment of interest.
- 5) The Equity Shares tendered in the Offer shall be held in trust by the Clearing Corporation / Registrar to the Offer until the completion of the Offer formalities and the Public Shareholders who have tendered their Equity Shares will not be able to trade in such Equity Shares during such period, even if the acceptance of equity Shares in this offer and/or dispatch of payment consideration are delayed. Further, during such period, there may be fluctuations in the market price of the Equity Shares that may adversely impact the Public Shareholders who have tendered their Equity Shares in this Offer. It is understood that the Public Shareholders will be solely responsible for their decisions regarding their participation in this Offer and the Acquirer do not make any assurance with respect to the market price of the Equity Shares at any time, whether during or after the completion of the Offer, and disclaim any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by any shareholder on whether to participate or not to participate in the Offer.
- 6) Public Shareholders should note that once they have tendered their Equity Shares in the Offer, they will not be able to withdraw their Equity Shares from the Offer, even if the acceptance of Equity Shares under the Offer and dispatch of consideration is delayed. During such period, there may be fluctuations in the market price of the Equity Shares of the Target Company. The Public Shareholders will not be able to trade in such Equity Shares which are in the custody of the Registrar to the Offer and/or Clearing Corporation notwithstanding delay in acceptance of the Equity Shares in this Offer and dispatch of payment consideration. Accordingly, the Acquirer and Manager to the Offer make no assurance with respect to the market price of the Equity Shares of the Target Company before, during or upon completion of this Offer and each of them expressly disclaims any responsibility or obligation of any kind (except as required by applicable law) with respect to any decision by the Public Shareholders on whether or not to participate in this Offer.
- 7) This Offer is subject to completion risks as would be applicable to similar transactions.
- 8) NRI and OCB holders of the Equity Shares must obtain all approval/s required to tender the Equity Shares held by them in this Offer (including without limitation the approval from the RBI) and submit such approval/s along with the Form of Acceptance and other documents required to accept this Offer. In the event such approval/s are not submitted, the Acquirer reserve the right to reject such Equity Shares tendered in this Offer. Further, if holders of the Equity Shares who are not persons resident in India (including NRIs, OCBs, FIIs and FPIs) were required to obtain any approval/s (including from the RBI, the FIPB or any other regulatory body) in respect of the Equity Shares held by them, they will be required to submit such previous approval/s that they would have obtained for holding the Equity Shares, along with the other documents required to be tendered to accept this Offer. If such previous approval/s and/or relevant documents are not submitted, the Acquirer reserve the right to reject such Equity Shares tendered in this Offer. If the Equity Shares are held under general permission of the RBI, the non-resident Public Shareholder should state that the Equity Shares are held under general permission and clarify whether the Equity Shares are held on repatriable basis or on non-repatriable basis.

This Letter of Offer has not been filed, registered or approved in any jurisdiction outside India. The recipients of this Letter of Offer (“LOF”) resident in jurisdictions outside India should inform themselves of and observe any applicable legal requirements. The Offer is not directed towards any person or entity in any jurisdiction or country where the Offer would be contrary to the applicable laws or regulations or would subject the Acquirer or the Manager to the Offer to any new or additional registration requirements.

- 9) The Public Shareholders are advised to consult their respective legal and tax advisors for assessing the tax liability pursuant to the Offer, or in respect of other aspects, such as the treatment that may be given by their respective assessing officers in their case, and the appropriate course of action that they should take. The Acquirer do not accept any responsibility for the accuracy or otherwise of the tax provisions set forth in this Letter of Offer.
- 10) Equity shares held by promoter and public category shareholders are not in pledge.
- 11) Public Shareholders should note that if they have pledged their Equity Shares in any manner, they will not be able to tender such pledged Equity Shares in this Offer.

The Resolution Plan was submitted by the Target Company along with strategic Investor M/s Lord's Mark Industries Limited, the NCLT admitted the application on 1st February, 2024 and appointed Mr. Amit Poddar as Resolution Professional (RP) / Insolvency Professional (IP) in the matter. The plan was approved by Committee of Creditors (COC) on 27th April, 2024 and submitted by RP on 1st May, 2024 to the NCLT. (formerly known as Kratos Energy & Infrastructure Limited) under Section 54K(15) of the Insolvency and Bankruptcy Code, 2016 in the matter of C.P. (IBPP) No. 03/MB/2023.

Para 8.4 of The Hon'ble NCLT Mumbai, Court - IV order dated 28.07.2025 states that the Applicant/RP seeks our approval of the Resolution Plan submitted by the RA (CD along with the Strategic Investor), stating that the Plan is in accordance with Section 30(2) of the Code, and the Regulations made thereunder. Further, BSE vide notice number 20250613-59 dated June 13, 2025 has informed about the Change in Name of the Target Company. Accordingly, w.e.f. June 19, 2025, the Scrip id of Target Company has been changed to LORDSMARK & Scrip Code is same.

6.1.2 The equity shares of the Target Company are infrequently traded within the meaning of explanation provided in Regulation 2(j) of the SEBI (SAST) Regulations on BSE.

The annualized trading turnover of the equity shares of the Target Company on BSE during Twelve calendar months prior to the month of PA date (June, 2024 - May, 2025) is as given below:

6.1.3 The Offer Price of Rs. 30.00/- (Rupees Thirty only) is justified in terms of Regulation 8 (2) of the SEBI (SAST) Regulations on the basis of the following:

SR. NO.	PARTICULARS	PRICE (IN RS. PER SHARE)
(a)	Highest of Negotiated price per Equity Share of SPA	Rs. 30/-
(b)	The volume-weighted average price paid or payable for acquisitions by the Acquirer during 52 weeks immediately preceding the date of PA.	N.A.
(c)	Highest price paid or payable for acquisitions by the Acquirer during 26 weeks immediately preceding the date of PA.	N.A.
(d)	the volume-weighted average market price of shares for a period of sixty trading days immediately preceding the date of the public announcement as traded on the stock exchange where the maximum volume of trading in the shares of the target company are recorded during such period. (in case of frequently traded shares only)	Not Applicable as Equity Shares are Infrequently Traded
(e)	Where the Equity Shares are not frequently traded, the price determined by the Acquirer and the Manager to the Offer taking into account valuation parameters including book value, comparable trading multiples, and such other parameters as are customary for valuation of shares of such companies	Rs. 29.65*

*The Fair Value of equity share of the Target Company is Rs. 29.65/- (Rupees Twenty Nine and Sixty Five Paise Only) as certified by Nitish Chaturvedi, Independent Valuer, IBBI Registration No.: IBBI/RV/03/2020/12916, having their office situated at Unit No.8, 2nd Floor, Senior Estate,7/C, Parsi Panchayat Road Andheri (East), Mumbai - 400069; Tel. No.: +91-9997354674; Email: chaturvedinitish@gmail.com, vide valuation certificate dated June 03, 2025, in accordance with Regulation 8 (16) of the SEBI (SAST) Regulations.

The rationales for providing the multiples, as communicated by Nitish Chaturvedi, Independent Valuer are as below:

- a. Valuer has assigned Nil weight to the NAV Method as the value per share of the Target Company as per Net Asset Value Method is negative.
- b. Valuer has not considered the Comparable Companies Method, since the Target Company has no Sales, negative EBITDA, bearing losses for the past 3 years and has Negative Net-Worth. Value per Share as per NAV Method is Negative and lower than Price as per Market Price, therefore no weightage is considered for NAV Method.
- c. Valuer has assigned 95% weight to the DCF Method as it considers the future earning capacity of the Company.
- d. Since the shares of Target Company are infrequently traded, Valuer has assigned 5% weight to the Market Price Method considering the SAST Regulations. The last traded price of the company as on date of valuation is INR 431.90.

In view of the parameters considered and presented in table above, in the opinion of the Acquirer and Manager to the Offer, the Offer Price of Rs. 30.00/- (Rupees Thirty only) per share being the highest of the prices mentioned above is justified in terms of Regulation 8 of the SEBI (SAST) Regulations, 2011.

- 6.1.4 There has been no corporate action requiring the price parameters to be adjusted.
- 6.1.5 There are no reported event or information under Regulation 30 (11) of SEBI (LODR) Regulations, 2015 requiring price parameters to be adjusted.
- 6.1.6 The Target Company is listed on BSE only. Equity shares of Target Company were not traded on date of public announcement, i.e., 03rd June, 2025, before the date of public announcement, i.e., 02nd June, 2025 and after the date of public announcement, i.e., 04th June, 2025. Equity shares of Target Company were last traded on 21st April, 2025 and market price (closing) was Rs. 431.90 per equity share.
- 6.1.7 In the event of any further acquisition of Equity Shares of the Target Company by Acquirer during the offer period, whether by subscription or purchase, at a price higher than offer price, then offer price will be revised upwards to be equal to or more than the highest price paid for such acquisition in terms of Regulation 8 (8) of the SEBI (SAST) Regulations. However, it shall not be acquiring any equity shares of Target Company after the third working day prior to commencement of tendering period and until the expiry of tendering period.
- 6.1.8 If the Acquirer acquires any Equity Shares of the Target Company during the period of twenty-six weeks after the closure of Tendering Period at a price higher than the Offer Price, then the Acquirer shall pay the difference between the highest acquisition price and the Offer Price, to all shareholders whose Equity Shares have been accepted in this Offer within sixty days from the date of such acquisition. However, no such difference shall be paid in the event that such acquisition is made under another open offer under the Takeover Regulations, or pursuant to SEBI (Delisting of Equity Shares) Regulations, 2021 or open market purchases made in the ordinary course on the stock exchange, not being negotiated acquisition of Equity Shares of the Target Company in any form.
- 6.1.9 As on date of this LOF, there is no revision in the Offer Price or Offer Size. In the event of any revision of the open offer, whether by way of an upward revision in offer price, or of the offer size, the acquirer shall comply with all the provisions of the Regulation 18(5) of the Takeover Regulations and shall (a) make corresponding increases to the amount kept in escrow account under regulation 17 prior to such revision; (b) make an announcement in respect of such revisions in all the newspapers in which the detailed public statement pursuant to the public announcement was made; and (c) simultaneously with the issue of such an announcement, inform the Board, all the stock exchange on which the shares of the target company are listed, and the target company at its registered office.
- 6.1.10 If there is any revision in the Offer Price on account of future purchases / competing offers, it will be done only upto one working day prior to the date of commencement of the tendering period in accordance with Regulation 18(4) of the Takeover Regulations and would be notified to the shareholders by way of another public announcement in the same newspapers where the DPS has appeared.
